

HIPAA Privacy & Security Operations Committee
Committee Charter

The HIPAA Privacy and Security Executive Board (“Executive Board”) charges the HIPAA Privacy and Security Operations Committee (“Operations Committee” or “Committee”) to implement, operate, and continually assess privacy and security controls that support the UW-Madison’s HIPAA Policies and Procedures (<https://compliance.wisc.edu/policies-and-forms/>).

The Operations Committee is also responsible for identifying and reporting to the Executive Board observed compliance risks and recommendations about how to reduce such risk and corresponding likelihood of HIPAA violations at UW-Madison.

1. Purpose

The Health Insurance Portability and Accountability Act of 1996 (“**HIPAA**”) was enacted in part to protect health information by establishing privacy and security standards for the use and disclosure of individually identifiable health information, known as Protected Health Information (as defined in HIPAA, referred to as “PHI”). HIPAA is enforced by the US Department of Health and Human Services’ Office for Civil Rights.

The Operations Committee is responsible for operationalizing methods to protect the privacy and security of UW-Madison’s patients’ and research subjects’ PHI, while at the same time reducing UW-Madison’s business, financial and reputational risks associated with the creation, storage, use, transmission, disclosure, and disposal of PHI. The Committee will work at the direction of the Executive Board, the Office of Compliance, and the Office of Cybersecurity – and will operate under the supervision of the UW-Madison HIPAA Privacy Officer and the UW-Madison HIPAA Security Officer.

2. Administrative Structure

The following identifies the administrative structure of the Operations Committee. Changes to this structure or this charter are at the discretion of the Executive Board or the HIPAA Privacy and HIPAA Security Officers.

2.1. Composition

The Committee is formed and organized, operated and co-chaired under the purview of UW-Madison’s HIPAA Privacy Officer and HIPAA Security Officer.

2.2 Chairpersons

UW-Madison’s HIPAA Privacy Officer and HIPAA Security Officer co-chair the Committee; these positions are identified by and report to the Director of Compliance in the Office of Compliance and the Chief Information Security Officer in the Office of Cybersecurity, respectively. In the event the co-chairs are absent at any meeting of the Committee, they shall have discretion to cancel or reschedule such meeting, or to designate a Committee member to serve as an Acting Chair or Acting Co-Chair.

2.3. Meetings

Committee meetings will be held once a month for no longer than ninety (90) minutes. The co-chairs will identify if additional meetings of the Committee or a sub-committee need to be coordinated in order to address outstanding business. The co-chairs will post agenda and supporting documentation prior to meetings to a common repository available to all Official and Ex-Officio members of the Committee. Meetings will consist of at least the following standing agenda items:

- (1) Introductions / Announcements
- (2) Regulatory Enforcement News and Changes to Laws and Regulations (if any)
- (3) New or Modified UW-Madison HIPAA Policies
- (4) Status of Operations and Projects

2.4. Minutes and Reports

The Committee shall maintain all meeting minutes, reports, and other documentation in a repository available to all Official and Ex-Officio members of the Committee. The co-chairs are responsible for managing the documentation based on the appropriate records retention schedules.

2.5. Administrative Support

A designated staff person who provides administrative support to the co-chairs shall assist the Committee with coordination of meetings, preparing agendas and taking minutes during meetings, and providing other administrative support as reasonably requested by the co-chairs.

2.6. Committee Membership

Official Committee members will include:

- The HIPAA Privacy Coordinator(s) and HIPAA Security Coordinator(s) for each of the Health Care Components (HCC), as designated in accordance with HIPAA Policy 10.2.
- Office of Legal Affairs Health Law Attorneys
- The School of Medicine and Public Health Honest Broker

Ex-Officio members include but are not limited to the following.

- Office of Compliance, HIPAA Incident Investigator
- Office of Cybersecurity, HIPAA Security Risk Analysts
- Office of Cyber Security, Incident Response Team (IT Forensics)
- Health Sciences Institutional Review Board, Director (or designee)

3. Authority

Subject to the Direction of the Executive Board, the Office of Compliance, and the Office of Cybersecurity, the Operations Committee is authorized to operationalize methods to comply with HIPAA. More specifically, the Committee's efforts will focus protecting the privacy and security of UW-Madison's patients' and research subjects' PHI, while at the same time reducing UW-Madison's business, financial and reputational risks associated with the creation, storage, use, transmission, disclosure, and disposal of PHI. They accomplish this by implementing, maintaining, and enforcing the UW-Madison HIPAA Policies, and fulfilling the responsibilities outlined in Section 4 of this Charter.

3.1 Authority of the Co-Chairs

The Co-Chairs of the Committee may act on behalf of the Committee in the event immediate or urgent action is required and it is impractical to convene the Committee. In such instances, they shall report on any actions taken as soon as possible to the Committee.

3.2 Advisory Resources

The Committee may obtain such advice as it requires from time to time to address its responsibilities, whether through the appointment of one or more Advisory Councils to provide expert input, the engagement of consultants or other advisory resources, or through any other appropriate action.

4. Responsibilities

The following identifies the responsibilities for the Committee members as well as the responsibilities of the HIPAA Privacy Officer, HIPAA Security Officer, and the HIPAA Privacy Coordinators and HIPAA Security Coordinators who are identified and function in accordance with UW-Madison HIPAA Policy 10.2, "Designation of Unit Privacy and Security Coordinators."
